

## HOUSE RULES

Dear guest,

La DesignAta Experience B&B is a private house and an atelier where some rooms are made available to guests.

Let me recall the rules I consider **most important**:

- It is strictly FORBIDDEN TO SMOKE (electronic cigarettes too) in all the rooms of the b&b.

- For security reasons, it is forbidden to let people access to the b&b if not registered as guests.

- I love animals very much, but they are NOT allowed for hygiene and internal organization reasons.

- There are no time limits for the evening return, but guests are kindly asked to respect silence in the common parts of the building as well as in the apartment.
- Please switch off the lights and the air conditioning system when not necessary.
- The welcome "KIT di BENVENUTO" is to be intended *una tantum*; should you have further needs, they shall be considered and paid separately at the end of your stay.

- The "dolce" (sweet) Italian breakfast is served in the atelier's dining area every morning from 8H00 to 9:30.

- For the safety of guests, I cannot allow the use of open flame devices (candles, camp stoves). It is not possible to prepare food in the rooms. However the room is equipped with an electric boil kettle (for water) that I hope will meet your needs).

- In Rome tap water is drinkable.

- The balance shall be paid upon arrival, either in cash or by Credit Card. Bank checks are not accepted. The Roma Capitale authority has imposed a Tourist Accommodation Tax of €3,50 / person / night spent in Rome up to a maximum of 10 consecutive nights in the calendar year (children under the age of 10 are excluded from the payment of the tax). The amount shall be paid at check-in.

- Rooms are tidy up daily from 10H00 to 12H00. But the operation will be done only if guests free the rooms during that time frame (unless otherwise agreed with the host).

- The change of linen is done every three days of stay.

- CHECK-OUT: rooms must be vacated by 10H00 on the day of departure.

- La DesignAta Experience b&b is not responsible for personal items left unattended.
